## EXHIBITION INFORMATION

D Ring Image

Up to 2 paintings per artist.

Maximum size 26" x 32". Paintings must be presented for hanging: properly framed (clip frames are not acceptable) Please use correct Brown gummed tape to seal glazed paintings, Gaffa tape or Masking tape is not acceptable, Frame fixtures must be D rings with taut cord, **Not Wire** - fixed in the top third of the frame. This is crucial to get right because picture frames may be damaged from badly attached fittings and the exhibition hangings system will not display your work to its full potential  
 The label on the back of each painting must give the same details (Name, title, Medium, price) as given on the submission form

- > A hanging fee of £1 per picture to be paid at the handing-in.
- > All work must be original and for sale (minimum price £45). The Hospital will take a 30% commission on all sales which includes VAT. This is donated towards the Hospital Arts Service.

*You are reminded that pictures are transported and hung at your own risk* Artists are advised to make their own insurance arrangements. Salisbury Health Care trust nor Ringwood Art Society can be held responsible for any loss or damage.

**Boxed canvases can not** be entered into this exhibition as it has been found they are too difficult to transport with framed paintings and easily damaged.

Please make bubble wrap bags **open** at one end large enough for your painting to **SLIDE OUT EASILY** with your name on the front, used for transportation to the hospital and kept for you to pick up at handing out.  
**Make your bag or your label easily recognisable, at hand out you will have to find it amongst many others**
